About ICPS

ICPS 2025 Theme:
Leveraging Smart
Technologies for
Clean, Resilient,
and Secure Power
Systems

The **International Conference on Power Systems (ICPS)**, a premier biennial forum established in 2004 by academicians from India and Nepal, brings together experts from academia, industry, and research to explore advancements in power systems. The **11th edition, ICPS 2025**, will be jointly organised by **Indian Institute of Technology (IIT) Hyderabad, India & SRLDC Grid-India**, and will be held from **7–9 December 2025** at **IIT Hyderabad**. The conference is technically co-sponsored by the **IEEE Hyderabad Section, IEEE Uttar Pradesh Section**, and the **IEEE PES/IAS/PELS Joint Chapter** of the Hyderabad Section. The conference will feature technical paper sessions, tutorials, and plenary and invited talks by renowned researchers worldwide.
